APPLICATION FOR MAIN TRAIL END-TO-END AWARD

The Finger Lakes Trail Conference awards an End-To-End patch in recognition of hiking the 557-mile main Finger Lakes Trail from the NY/PA border at Allegany State Park to the Long Path Trail in the Catskill Park.

This award can be earned by hiking the Trail in one continuous hike or by doing it in segments over a period of time. We suggest that you keep a separate record that will enable you to complete the attached End-to-End Hike Record.

Those who have begun or are about to start working toward completing their End-to-End experience are asked to contact Edward J.Sidote, 5 Clinton St., Norwich,NY 13815-1903, 607-334-3872, ejsidote@frontiernet.net. Mr. Sidote coordinates the Conference End-to-End activities, would like to know you are involved, and may be able to offer you assistance.

When you have completed your End-to-End hike, please complete the form below and send it with your End-to-End Hike Record to Mr. Sidote at the above address. Two patches are provided free of charge. An engraved badge will be given free to all hikers to complete the Main Trail.

We would like to hear more about your End-to-End experiences as it often provides interesting and helpful information to the Conference and to other planning similar trips. Please write an article for the FLT Newsletter and bring or mail it to Ed Sidote.

MAIN TRAIL END-TO-END APPLICATION
